Dear Employer,

The University of Maryland student chapter of Chi Epsilon, the Civil Engineering Honor Society, is pleased to invite you to our annual Fall Career Fair. The event will be held on **Friday, October 28, 2022**, from 10:00 am to 2:00 pm in the Grand Ballroom of Adele H. Stamp Student Union. We are excited to be hosting this year's fair in a larger room to better accommodate larger attendance and social distancing.

Chi Epsilon represents the top third of civil engineering students, ensuring you have access to some of the best and brightest future employees and interns. In past years, over 150 students have attended the fair throughout the day, and employers in attendance expressed a high level of satisfaction with their recruitment success. In addition to students in civil, environmental, and mechanical engineering, we will also invite students from the business, architecture, and sustainable development programs at the university.

**Reservations and payment must be received by Friday, September 9th, 2022.** Due to space restrictions, we will only be able to accept the first 70 companies. To cover the event costs, we are charging a fee of \$500. Refunds will not be given for cancellations after **Tuesday, October 11th, 2022.**

Setup will begin at 8:00 am and all tables must be cleared by 3:00 pm. We will provide breakfast and lunch (vegetarian options provided), as well as a 3' x 6' table and one **(I)** free parking space. Please limit the number of representatives to 4-5 at the maximum.

Please RSVP via e-mail and fill out the registration/payment form at:
