If your family has experienced significant changes in income that occurred **on or after 01/01/2023** that merit recalculating your financial aid eligibility based on your projected annual 2024 income rather than the federally required 2022 income, please complete this form. You must be able to document that the reduction of income has occurred for a period of at least ten weeks prior to submitting the appeal.

Before your appeal can be considered, your 2024-2025 Free Application for Federal Student Aid (FAFSA) must be completed and all required documents must be submitted. UMD must be able to fully document why a decision was made to adjust a student's FAFSA. **Incomplete appeals will not be reviewed.**

Appeal reviews will be completed within 3-4 weeks of receipt of all requested documents. After the initial evaluation of your submitted documents, additional supporting documents may be requested which may lengthen the review time. Submission of an appeal does not guarantee approval of an appeal. Additionally, approval of an appeal does not guarantee receipt of additional aid. You are responsible for all outstanding charges with UMD.
