

THE GRADUATE SCHOOL

Application for Graduate Admission

Supplementary Application – Marine, Estuarine, Environmental Sciences (MEES)

Please upload the response to the questions below to the *Uploads Requirement* section (*Supplementary Application*) of the online application.

An essay clearly defining areas of research interest and research objectives (preferably including the areas of interest). The essay should be carefully prepared, not in outline form, and will assist with identification of an academic advisor should the applicant be judged admissible. Also included should be a discussion of relevant experiences and training qualifying the applicant for the program.
