

Applicants for the MFA program must submit a portfolio of images or media via Slideroom: <http://umdart.slideroom.com>

Please submit 20 images of your recent work or up to 10 minutes of video documenting time-based or performance-based work. Include the dimensions, dates, and media for each image. You may also add a brief statement to provide context.

Submission of Websites or Software:

For submissions involving websites or software:

- Use Slideroom to submit screenshots of your software or web-based artwork.
- Provide a URL for accessing the online project or for downloading the software.
