

THE GRADUATE SCHOOL

Application for Graduate Admission Supplementary Application – School Psychology (COSP)

Please upload the response to the questions below to the *Uploads Requirement* section (*Supplementary Application*) of the online application.

Please respond to the questions below in no more than 2-3 paragraphs. After you have completed the responses to these questions, upload your document to the College of Education Application on the School Psychology Supplemental Application page (the webpage where you downloaded this form).

1. Tell us about your research questions and your interests.¹ How do your interests match up with program faculty research interests?
2. If you completed either an undergraduate honors thesis or master's thesis, please describe the nature of the research.
3. If you have had other research experiences, please describe the nature of the project and your role in it.
4. If any of the research described above resulted in you being a named co-author of a presentation at a regional, or national conference, or in a publication (currently submitted for review, accepted for publication, or already published), please provide full reference citations in APA-citation format.
5. Tell us about your applied experiences and how these experiences relate to the field of School Psychology.¹
6. Describe your experiences in working with individuals and/or groups from diverse backgrounds.¹

Please attach responses to this form and upload to the online application.
